ECE 722 Fall 2015
XIII: Assignments, evaluation procedures, grading policy, and student expectations

Academic Requirements

1. **Case Studies**
   
   Students will be complete case studies individually or in small groups, based on examples provided in class. Case studies can only be completed on the day they are assigned, and cannot be made up if a student is absent.

   **10 points for each of 5 case studies (50 points)**

   This assignment must be completed in your assigned group via the discussion icon/link. You will be assigned to a discussion group. Discussion participation must be completed the due date/times noted.

2. **Personal Development Reflection ~ Primary Assignment**
   
   Students will trace their own development in a narrative. The narrative must be comprehensive in scope and incorporate multiple theories discussed in this course (i.e., Skinner, Vygotsky, Piaget, Gesell, Montessori, Kohlberg, Erikson) as they apply across domains (cognitive, communicative, social/emotional, physical, and adaptive/self-help). Reflection papers will be graded on integration of content, organization and clarity of ideas and concepts, writing mechanics and fluency. It is each student’s responsibility to complete the personal reflection paper and post the paper to the assignment drop box by the time and date noted in the class schedule. **(50 points)**

3. **Observation Reflections**
   
   Observation of young children is fundamental when developing a thorough understanding of early childhood theories. Students will observe a group of preschool aged children in a group care setting for a minimum of thirty (30) minutes and apply individual designated theorists to their observation.

   Students will write a one page summary of their observation.

   Students will also complete descriptions of how theorist’s ideas (theory) can be applied to the observation. Descriptions, based on to your observation, will reflect the following theorists: Bandura, Piaget, Gessell, Erikson, and Vygotsky.

   Your responses should be similar in format. For each theorist (Bandura, Piaget, Gessell, Erikson, and Vygotsky) detail how each theory of child development was connected to, or could be recognized, within the activities of the children you observed or the behaviors of the educators supervising the children. This response should be no more than 4 pages for each theorist for a total of no more than 20 pages.

   It is each student’s responsibility to complete the observation and responses and post these to the assignment drop box by the time and date noted in the class schedule. This
This assignment should be deposited in the drop box as **ONE FILE**.

4. **Parent Poster/Brochure**

Students will create a poster or brochure to communicate the connection between theories and child development for parents. The poster/brochure should:
- focus on a specific age group (i.e., toddler, 3 year old, Kindergarten age, etc.)
- address at least three domains of development (i.e., cognitive, social, physical)
- connect the developmental domain with at least three specific theories which addresses the domain (i.e., Piaget, Vygotsky, Chomsky, etc.)

All posters/brochures should be comprehensive in scope, aesthetically pleasing, include language appropriate for the target audience of parents and families and appropriate references. **(50 points)**

**Administrative Requirements**

1. All assignments are due on the day indicated in the course schedule. Late assignments will not be accepted due to the modular nature of this course. Missed assignments/exams cannot be made up and will result in a score of 0 (zero).
2. A grade of "Incomplete" will be granted only if the student has:
   - completed 75% of the course,
   - earned a grade of "B" or better at the time the "Incomplete" grade is requested, and
   - requested an "Incomplete" grade for personal or academic reasons deemed **extraordinary** by the instructor.
   - the student and instructor must negotiate a due date for completion of the course assignments. If course requirements are not completed by the agreed upon date, the earned grade will be submitted. There is no grading penalty for completing the course by the agreed upon date.
3. All assignments MUST be typed and double-spaced. Work submitted should reflect graduate level expectations in terms of scope, depth, writing mechanics, and appearance and APA 6th Edition standards should be applied to all papers.

**Grading Policy:**

Final grades for the course will be determined based on the total number of points earned. Grades with associated point totals are:

PROVOST STATEMENTS

Academic Misconduct – Academic integrity is a legitimate concern for every member of the campus community; all share in upholding the fundamental values of honesty, trust, respect, fairness, responsibility and professionalism. By choosing to join the UNLV community, students accept the expectations of the Student Academic Misconduct Policy and are encouraged when faced with choices to always take the ethical path. Students enrolling in UNLV assume the obligation to conduct themselves in a manner compatible with UNLV’s function as an educational institution. An example of academic misconduct is plagiarism. Plagiarism is using the words or ideas of another, from the Internet or any source, without proper citation of the sources. See the Student Academic Misconduct Policy (approved December 9, 2005) located at: http://studentconduct.unlv.edu/misconduct/policy.html.

Copyright – The University requires all members of the University Community to familiarize themselves with and to follow copyright and fair use requirements. You are individually and solely responsible for violations of copyright and fair use laws. The university will neither protect nor defend you nor assume any responsibility for employee or student violations of fair use laws. Violations of copyright laws could subject you to federal and state civil penalties and criminal liability, as well as disciplinary action under University policies. Additional information can be found at: http://www.unlv.edu/provost/copyright.

Disability Resource Center (DRC) – The UNLV Disability Resource Center (SSC-A 143, http://drc.unlv.edu/, 702-895-0866) provides resources for students with disabilities. If you feel that you have a disability, please make an appointment with a Disabilities Specialist at the DRC to discuss what options may be available to you. If you are registered with the UNLV Disability Resource Center, bring your Academic Accommodation Plan from the DRC to the instructor during office hours so that you may work together to develop strategies for implementing the accommodations to meet both your needs and the requirements of the course. Any information you provide is private and will be treated as such. To maintain the confidentiality of your request, please do not approach the instructor in front of others to discuss your accommodation needs.

Religious Holidays Policy – Any student missing class quizzes, examinations, or any other class or lab work because of observance of religious holidays shall be given an opportunity during that semester to make up missed work. The make-up will apply to the religious holiday absence only. It shall be the responsibility of the student to notify the instructor no later than the end of the first two weeks of classes, September 4, 2015, of his or her intention to participate in religious holidays which do not fall on state holidays or periods of class recess. For additional information, please visit: http://catalog.unlv.edu/content.php?catoid=6&navoid=531.

Incomplete Grades – The grade of I – Incomplete – can be granted when a student has satisfactorily completed three-fourths of course work for that semester/session but for reason(s) beyond the student’s control, and acceptable to the instructor, cannot complete the last part of the course, and the instructor believes that the student can finish the course without repeating it. The incomplete work must be made up before the end of the following regular semester for undergraduate courses. Graduate students receiving “I” grades in 500-, 600-, or 700- level courses have up to one calendar year to complete the work, at the discretion of the instructor. If course requirements are not completed within the time indicated, a grade of F will be recorded and the GPA will be adjusted accordingly. Students who are fulfilling an Incomplete do not register for the course but make individual arrangements with the instructor who assigned the I grade.

Tutoring – The Academic Success Center (ASC) provides tutoring and academic assistance for all UNLV students taking UNLV courses. Students are encouraged to stop by the ASC to learn more about subjects offered, tutoring times and other academic resources. The ASC is located across from the Student Services Complex (SSC). Students may learn more about tutoring services by calling 702-895-3177 or visiting the tutoring web site at: http://academicsuccess.unlv.edu/tutoring/.

UNLV Writing Center – One-on-one or small group assistance with writing is available free of charge to UNLV students at the Writing Center, located in CDC-3-301. Although walk-in consultations are sometimes available, students with appointments will receive priority assistance. Appointments may be made in person or by calling 702-895-3908. The student’s Rebel ID Card, a copy of the assignment (if possible), and two copies of any writing to be reviewed are requested for the consultation. More information can be found at: http://writingcenter.unlv.edu/
Rebelmail – By policy, faculty and staff should e-mail students’ Rebelmail accounts only. Rebelmail is UNLV’s official e-mail system for students. It is one of the primary ways students receive official university communication such as information about deadlines, major campus events, and announcements. All UNLV students receive a Rebelmail account after they have been admitted to the university. Students’ e-mail prefixes are listed on class rosters. The suffix is always @unlv.nevada.edu. Emailing within WebCampus is acceptable.

Final Examinations – The University requires that final exams given at the end of a course occur at the time and on the day specified in the final exam schedule. See the schedule at: http://www.unlv.edu/registrar/calendars.
