### XIII. Course Requirements and Grading Policy:

**Course Requirements:**

1. Each student must attend scheduled biweekly group meetings (alternate Thursdays at 7:00pm) beginning **Thursday August 31**. We will meet in CEB 117.

2. Each student must spend twenty hours per week in an approved setting with an approved master interventionist working directly with 0 to 3 year old children with disabilities who are from different cultural backgrounds activities.

3. Each student must obtain a mean score of at least 2.0 or higher on the fieldwork evaluation form (see attached) for items I, II and III.

4. Each student will develop an intervention plan, which describes two elements of the curriculum utilized for each of at least two to six infants and their families. Included in the intervention plan must be:
   
   A. **Rationale:** A referenced justification for the theoretical underpinnings of the curriculum and instructional strategies employed.
   
   B. **Parent/Family Involvement:** A complete description of how parents and other family members are involved both in the selection of family and child goals and in the selection of strategy and implementation of the curriculum including strategies to attain family goals.
   
   C. **Method:** A complete description of what the intervention team members (including yourself) do while teaching, including representative lesson plans from each child as well as descriptions of how families are assisted in the attainment of goals on the IFSP. Lesson plans should include both baseline and intervention phases of instruction.
D. **Results:** A graphic presentation of the performance of students (and family members) from beginning of the semester to the end of the semester. Results may be averaged and presented in tabular form by each curricular area.

E. **Discussion:** A brief discussion of the results including some discussion of what you would do differently if you had the degrees of freedom to do so.

**Grading Policy:**

**Final grade for this class will be determined by the total number of points earned in two areas.** First is performance on site. Your site supervisor (master interventionist) will award up to 10 points for performance on site and your university supervisor will award an additional 10 points for performance on site for a total of 20 points. Both master interventionist and university supervisor must use the included fieldwork observation form as the basis for award of points. An average overall rating lower than 2.0 automatically means 0 points are awarded. In other words a minimally acceptable average score is 2.0 or higher on the Fieldwork Evaluation Form. In addition, up to 80 points may be awarded for the required Intervention Unit which must be turned in no later than Thursday December 14 at 7:00pm. **No unit will be accepted after this date and time.**

**Failure to turn in the Intervention Plan on the date and at the time indicated (without an excuse acceptable to the instructor) will result in a 0 score for the missed work WITHOUT EXCEPTION.** REMEMBER you are responsible for all material, including announcements re schedule changes, handouts, and material presented and discussed in meetings whether or not you are present. You are also responsible for messages/announcements and all material posted on your UNLV Webcampus class site.

The following scale will be used to determine the course grade:

- **A** = 90-100
- **B** = 80-89
- **C** = 70-79
- **D** = 60-69
- **F** = Below 60

Provost Statements

Academic Misconduct—Academic integrity is a legitimate concern for every member of the campus community; all share in upholding the fundamental values of honesty, trust, respect, fairness,
responsibility, and professionalism. By choosing to join the UNLV community, students accept the expectations of the Student Academic Misconduct Policy and are encouraged when faced with choices to always take the ethical path. Students enrolling at UNLV assume the obligation to conduct themselves in a manner compatible with UNLV’s function as an educational institution. An example of academic misconduct is plagiarism. Plagiarism is using the words or ideas of another, from the Internet or any source, without proper citation of the sources. See the Student Academic Misconduct Policy (approved December 9, 2005) located at: https://www.unlv.edu/studentconduct/student-conduct.

Copyright—The University requires all members of the University Community to familiarize themselves with and to follow copyright and fair use requirements. You are individually and solely responsible for violations of copyright and fair use laws. The university will neither protect nor defend you, nor assume any responsibility for employee or student violations of fair use laws. Violations of copyright laws could subject you to federal and state civil penalties and criminal liability, as well as disciplinary action under University policies. Additional information can be found at: http://www.unlv.edu/provost/copyright.

Disability Resource Center (DRC)—The UNLV Disability Resource Center (SSC-A 143, http://drc.unlv.edu, 702-895-0866) provides resources for students with disabilities. If you feel that you have a disability, please make an appointment with a Disabilities Specialist at the DRC to discuss what options may be available to you. If you are registered with the UNLV Disability Resource Center, bring your Academic Accommodation Plan from the DRC to the instructor during office hours so that you may work together to develop strategies for implementing the accommodations to meet both your needs and the requirements of the course. Any information you provide is private and will be treated as such. To maintain the confidentiality of your request, please do not approach the instructor in front of others to discuss your accommodation needs.

Final Examinations—The University requires that final exams given at the end of a course occur at the time and on the day specified in the final exam schedule. See the schedule at: http://www.unlv.edu/registrar/calendars.

Incomplete Grades—The grade of I—Incomplete—can be granted when a student has satisfactorily completed three-fourths of course work for that semester/session but for reason(s) beyond the student’s control, and acceptable to the instructor, cannot complete the last part of the course, and the instructor believes that the student can finish the course without repeating it. The incomplete work must be made up before the end of the following regular semester for undergraduate courses. Graduate students receiving “I” grades in 500-, 600-, or 700-level courses have up to one calendar year to complete the work, at the discretion of the instructor. If course requirements are not completed within the time indicated, a grade of F will be recorded and the GPA will be adjusted accordingly. Students who are fulfilling an Incomplete do not register for the course but make individual arrangements with the instructor who assigned the I grade.

Library Resources—Students may consult with a librarian on research needs. Subject librarians for various classes can be found here: https://www.library.unlv.edu/contact/librarians_by_subject. UNLV Libraries provides resources to support students’ access to information. Discovery, access, and use of information are vital skills for academic work and for successful post-college life. Access library resources and ask questions at https://www.library.unlv.edu.

Rebelmail—By policy, faculty and staff should e-mail students’ Rebelmail accounts only. Rebelmail is UNLV’s official e-mail system for students. It is one of the primary ways students receive official university communication such as information about deadlines, major campus events, and announcements. All UNLV students receive a Rebelmail account after they have been admitted to the university. Students’ e-mail prefixes are listed on class rosters. The suffix is always @unlv.nevada.edu. Emailing within WebCampus is acceptable.

Religious Holidays Policy—Any student missing class quizzes, examinations, or any other class or lab work because of observance of religious holidays shall be given an opportunity during that semester to make up missed work. The make-up will apply to the religious holiday absence only. It shall be the responsibility of the student to notify the instructor within the first 14 calendar days of the course for fall and spring courses (excepting modular courses), or within the first 7 calendar days of the course for
summer and modular courses, of his or her intention to participate in religious holidays which do not fall on state holidays or periods of class recess. For additional information, please visit: http://catalog.unlv.edu/content.php?catoid=6&navoid=531.
